The diagram illustrates a class hierarchy. At the top is a class box labeled 'FalseType'. It has a header section and two empty rectangular sections below it. Below 'FalseType' is a blue hollow triangle pointing upwards, indicating inheritance. At the bottom is a larger class box with a grey background. The top section of this box contains the text 'ros::message\_traits::IsFixedSize< ::jaco\_msgs::ArmPoseFeedback\_< ContainerAllocator > >'. Below this text are two additional empty rectangular sections.
