The diagram illustrates an inheritance relationship. A white box at the top is labeled 'TrueType' and is divided into three horizontal sections. Below it is a larger gray box divided into three horizontal sections. The top section of the gray box contains the text 'ros::message_traits', '::IsMessage< ::jaco', '_msgs::ArmPoseGoal_', and 'ContainerAllocator > >'. A blue arrow with an open triangular head points from the top section of the gray box to the bottom section of the white box.
