

TrueType

```
classDiagram
    class TrueType
    class ros_message_traits["ros::message_traits"]
    ros_message_traits --|> TrueType
```

The diagram illustrates a class hierarchy. At the top is a class box labeled 'TrueType'. It has three horizontal compartments: the top one contains the name 'TrueType', and the two below it are empty. Below this box is a blue arrow with an open triangular head pointing upwards. This arrow originates from a larger, shaded gray box at the bottom. The top section of this gray box contains the text 'ros::message_traits ::IsMessage< ::jaco _msgs::StartRequest_ < ContainerAllocator > >'. Below this text are two more empty horizontal compartments within the gray box.

ros::message_traits
::IsMessage< ::jaco
msgs::StartRequest
< ContainerAllocator > >
